

## Dr. Asokan Variyath Mulayath

Asokan Mulayath Variyath is an Associate Professor of Statistics in the Department of Mathematics and Statistics at the Memorial University. During 1991-2001, he worked as a faculty member at SQC & OR Division of the Indian Statistical Institute. He obtained his PhD in Statistics from the University of Waterloo in 2006 and then moved to Texas A & M University as a postdoc. In 2008, he joined Memorial University as an Assistant Professor of Statistics. Asokan's research interests are industrial statistics, design of experiments, survival analysis and longitudinal studies. He has become involved in the development of the new first year statistics course at Memorial and has also undertaken a project "Improving the Students' Learning Process through the Use of Statistical Applets". He has served the SSC as a member of the Student Travel Grants Committee.
